#JAHARP2021 Omnibus

#ProductSafety

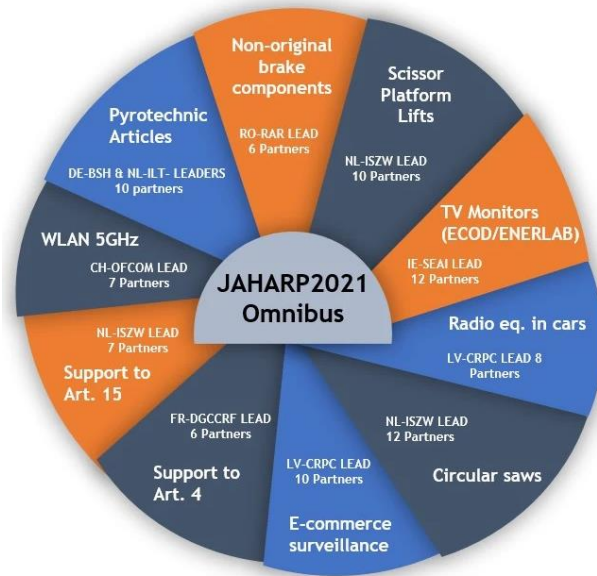

It is with great pleasure that [PROSAFE](#) announces the launch of the Joint Action on Harmonised Products - [JAHARP2021 Omnibus](#).

The JAHARP2021 Omnibus is co-funded by the European Union and is formed by ten autonomous yet synergetic market surveillance Joint Actions each with a duration of 24 months.

In total, 45 Market Surveillance Authorities (MSAs) from the 25 following countries participate: Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Latvia, Luxembourg, the Netherlands, Norway, Poland, Portugal, Romania, Slovenia, Spain, Sweden, and Switzerland.

“*We continue working on market surveillance from consolidating achievements made so far in energy efficiency, ecodesign, radio equipment, low voltage, and machinery, to engaging in product areas where no joint EU market surveillance action took place yet, such as the automotive and marine equipment sectors.*”

Ioana Sandu, Executive Director of PROSAFE

2 Shared Strategic Goals

1. To remove non-compliant and dangerous products from the Single Market.
2. To support the application of the new Market Surveillance Regulation (EU) 2019/1020 with the development of common approaches and good practices.
